No KT Tunstall, sigh. But anybody up for seeing Rasputina next month, if we're in town?

If I told you I had four tickets to Ani, what would you promise me?

COLLAPSE

ogodogodogodogod--

I'd promise to teach you one of my good tricks for dealing with offwidths, but I was going to do that anyway, so no fair.

I would give you my skateboard. Honest. Do you want a skateboard?

But if you do, could I borrow it back sometimes?

Hmm. I know! The wabbit hates Ani. So why don't you invite the Girl?

(So nefarious are my plans...)

Introduce her to *gulp* the family? The dreaded Big Sister Encounter?

Yikes. How much do I like Ani?

That would depend on whether I EVER GET THESE PEOPLE TO SEND ME THE REST OF THE STATS, damn it.

Because it is a shurethang now that I am coming in tomorrow morning.

I hate bureaucrats. I wish I could drop a bureau on the lot of 'em.

She says sure.

She's never heard Ani.

Oh, great. Now I can worry about you guys liking her AND her liking Ani.

She made you whistle. We like her.

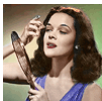

Pack it up, Chaz. We're hitting the town. The stats will be there in the morning.

w00t!

I've got a black tailcoat in 38L--do you want it?

 [Ometotchtli](#)

[November 16 2007, 20:44:14 UTC](#) [COLLAPSE](#)

Y dont U wear it?

 [cvillette](#)

People will stare.

 [Ometotchtli](#)

[November 16 2007, 20:53:15 UTC](#) [COLLAPSE](#)

If U dont like staring, why own a tailcoat?

 [cvillette](#)

[November 16 2007, 22:30:59 UTC](#) [COLLAPSE](#)

Oh, to answer: the tailcoat was part of a Halloween costume. Baron Samedi.

Oh, crap, I just realized why I shouldn't have mentioned that.

 [trollcatz](#)

[November 16 2007, 22:39:54 UTC](#) [COLLAPSE](#)

Chaz? Doll?

RASPUTINA CONCERT.

People will stare if you don't wear a topcoat.

 [cvillette](#)

[November 16 2007, 21:01:10 UTC](#) [COLLAPSE](#)

I already look like a wire-armature puppet from a Tim Burton movie. Isn't that enough to get past the rope with?

And if that "topcoat" typo was some kind of slip related to thinking of me in a top hat, I will put a scorpion in your desk drawer so help me god.

 [trollcatz](#)

[November 16 2007, 21:03:28 UTC](#) [COLLAPSE](#)

It's just that I was excited thinking about it, and typing too fast.

Oh, come on. Johnny Winter? Totally hot in a tailcoat. (Back when he was still hot, and wore shirts, anyway.)

Because boys in eyeliner = TOTAL HOTNESS.

Even Iggy Pop looked hot in eyeliner.

Hey.

She *is* cute.

And she likes you. She had to be freezing her ass off in that skirt. ;-) Do the girl a favor and tell her she'd look hot in jeans.

Good. More stats today, right? Pick me up a coffee. I'll get bagels from the good place on the way in, but it may be a bit. I'm not waking up the cute girl to kick her out.

...come *home*?

Where were you last night?

November 17 2007, 13:55:25 UTC [COLLAPSE](#)

Buzzer = waking up cute girl.

I'll get there.

And yes, let's go climb a wall.

Updated wardrobe report: She said she had to go home before her lunch date with her dad, so she could change. "He would *not* like this skirt."

"I like that skirt," sez me.

Little sideways grin, flip of hair: "You're supposed to."

I'd have told her she'd look hot in jeans, but hey, it would have been ungrateful. And also, was suddenly kind of with the stammering.
